

Proposed Change in Hawaii Water Pollution Statutes SEP 23 1975

Director, Enforcement Division

Regional Counsel

Attached is a letter from the office of the Attorney General of the State of Hawaii along with proposed changes to Chapter 342 of the Hawaii Revised Statutes concerning water pollution control. The provisions of Chapter 342 are those under which Hawaii was given authority for the NPDES program pursuant to Section 402 of the Federal Water Pollution Control Act of 1972.

Would you please provide me with your comments on these proposed statutory changes as to whether they meet the requirements of Section 402 of the Act and 40 CFR 124 so that we may respond to the Attorney General.
